“ *Bill was such a sweet, caring, and wonderful man. His smile and laughter was infectious. He was a special part of our Animal Care Clinic family. He loyally arrived every Tuesday morning to take the garbage to the street and do whatever odd jobs we had for him. My favorite memory of Bill, and what I'll miss the most, is hearing him humming as he happily went about doing his work. He also took time to talk with each one of us and genuinely cared about what was going in our lives. I will miss his presence in the clinic, but a part of Bill will always be there and in all our hearts. Is that a faint hum that I hear? Love you Bill*

“ Bill was a great friend and neighbor. He was a sweetheart of a guy who never seemed to forget me when we came back to town. He was a friend of then my future husband Dick Wolf. We played a lot of basketball, and baseball at Taylor school, rode quite a few miles on motorcycles, and walked a few miles in the cool evenings with the gang. It was twice while back visiting I ran into him and he knew right away who I was. It was great chatting with him for a while. I also ran with Carol until they left Corwin Ave. R I P Bill your many friends will never forget you!! Rosie Riegert Wolf Schindler

“ Bill was a wonderful, kind, caring man!! Being 12 years younger than him, I always looked up to him and thought he was kind of a celebrity! I loved his rich, deep voice and loved to hear him laugh. He was also one of the hardest workers around. We will miss him very much. Our thoughts and prayers are with Thelma and the family.
