“ As I hold Judy and the family up in prayers, I'm flooded with memories. His twinkling eyes and boyish grin. Walking down to the lumber co. to buy paint for Moms annual paint the kitchenparty, with Judy willing to go so she could get another look at the cute guy behind the counter.
Their Fairy Tale wedding. Babysitting the boys so Windy could take Judy out. Many memories of their shared love for each other. Am really glad I had the chance to see them both again last summer.

Windy if I had to rank you on a scale from 1 to 10 you would be an 11, better than the best. A true gentleman to all who knew you, a man who so deeply loved his wife, Judy of 56 years, a great family man, one of the greatest "pap's" in the world and a great friend to Rick and I...you made us feel like part of your family thru the years, I know you are in a better place and one day we all will be there with you.
