“ Our sympathy and prayers our with the family she leaves behind,but I know there was a beautiful reunion in heaven... I have known this lovely lady all my life,they were part of my church family at Westside Baptist Church... I had the pleasure of working with her at Champion for a couple years. My best memory was at Brown County state park in Indiana...Zella and Al were camping in their very nice camper,we were tent camping in another part of campground, I don't believe they knew we were there,not sure,but during the night a storm came through and literally flooded the campground. We ended up going to their camp where they eagerly took us drowned rats in..not only did they take us in but insisted the next day staying and Al grilled us all a steak dinner before sending us on our way. You have certainly earned your eternal life with your family in heaven and Jesus. RIP beautiful lady 💕💕

Zella first lived down the street from us and was like a second mother to my sisters and myself.
